

# USING YOUR SCHED PROGRAMME

The screenshot displays the agenda for Tuesday, June 26, 2018, at the Blockchain Summit 2018 in London. The interface includes a navigation bar with 'Schedule', 'Speakers', and 'Attendees' tabs. A top right section offers social sharing options (mobile, print, email, Twitter, Facebook) and a search bar. The agenda is color-coded by theatre and session type. A modal window for the 'Pillar Project' by David Siegel is open, showing session details and pass type options (Expo, Gold, Innovator). A 'Recently Active Attendees' section is visible at the bottom right.
