

USING YOUR SCHED PROGRAMME

The screenshot shows the 'Schedule' tab of the Blockchain Summit 2018 agenda. The main agenda is a vertical list of sessions for Tuesday, June 26, with time slots on the left and session titles on the right. Sessions are color-coded: red for Theatre 1, green for Theatre 2, blue for Theatre 3, and orange for Networking Break. A modal window is open for the 'Pillar Project' session by David Siegel, showing options to 'Add to My Sched' and 'Edit', and a dropdown menu for 'Session Open To' with options: Expo, Gold, and Innovator. On the right, there are filter options: 'Filter By Date' (Jun 26-27, 2018), 'Filter By Venue' (Olympia London, Hammersmith Rd, London W14 8UX), 'Filter By Type' (Networking Session, Theatre 1-3-4, Session Open To, Popular), and 'Recently Active Attendees' (SK, NE, RG, HB, etc.).
